SmartGroup

Why to choose the SG GLAZING ROBOT:

- Lifting height **5.8 mtr.**
- Extension in front of the wheels **3.5 - 4.5 mtr.** with more lifting capacity.
- Width, between **650 - 690 mm.**
- Potentiometer for regulating working speed.
- Wireless remote for all machines.
- Power assist steering on the SG 1200.
- Powerful front wheel drive.
- Very service friendly - remove the cover and you have access to everything - all machines using the same spare parts.
- All machines made for coarse terrain. Running outdoor as well as indoor.
- Nonwelded for a better environment.
